

# MASTERCLASS – ELECTRO HOUSE PRODUCING – MIKE CANDYS

## Übersicht

School of Sound is proud to invite you to Mike Candys Electro House Producer Masterclass. This is a showcase of Mike's producer skills and an interaction point with your own productions. The full 2 day masterclass includes all aspects of Music Production, Sounddesign, Mixing and Publication. Mike Candys is a double platinum and five gold artist from Europe who savors in the form of dance, house and electro house flavours. His musical perfection is unparalleled and led him to a series of Major Recordings. [Mehr anzeigen...](#)

## Lernziele

The course days are split into 2 separate days: The first day is about learning to know each other, the track analysis and a listening session.

- Get direct insights into the history of the artist (Interview)
- Analyze a well known track of the artist (Track Deconstruction)
- Get detailed feedback of your own track (Listening Session Part 1)

The second day analyzes the production process and the sounddesign of the artist, his production style and his mixdown.

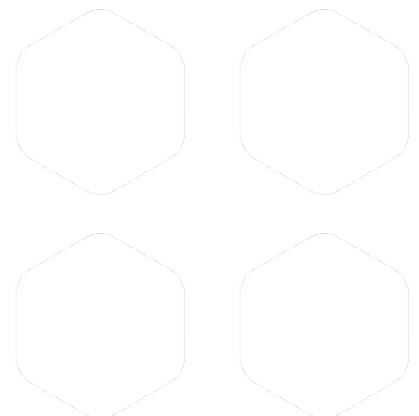

- Work on the idea of a song (Define Setting, Have Ideas, Sounddesign & FX)
- Arrangement of a Song (Arranging, Composition, Effects)
- Finalisation and mixdown (Automation, Mixing, Publication)
